All Kerala Power & Energy Society
Student Colloquium | 2018

College of Engineering
Chengannur

14-16 SEPT 2018

Technology is advancing at such a rapid pace that it is really hard for anyone to stay tuned to the new developments. The IEEE Power & Energy Society (PES) provides the world's largest platform for sharing the latest in technological developments in the electric power and energy sector. PES aims to be the leading provider of scientific and engineering information on electric power and energy for the betterment of society, and the preferred professional development source for its members through myriad publications, standards, meetings and conferences taking place at different parts of the world. The society grooms knowledgeable and competent professionals, educates the public and supports the academia and industry.

- For the student community, it's a golden opportunity to network with doyens in the field, being mentored by them in their field of interest and get internship through personal contacts, take leadership roles and avail travel opportunities, organise events, improve their communication skills and confidence levels. Being an IEEE member will also add value to their resume and brighten the career prospects.
- IEEE PES Kerala Chapter organised the first All Kerala PES Student Congress (AKPESSC '17) in March 2017 to showcase the benefits of being a PES student member. Encouraged by the response and success of the event, PES Kerala Chapter joins hands with PES Student Branch Chapter of College of Engineering Chengannur (CEC) to conduct All Kerala Power & Energy Society Student Colloquium (AKPESSC '18) from 14th to 16th of September 2018.

AKPESSC'18

All Kerala Power & Energy Society Student Colloquium(AKPESSC) is a rostrum set up by IEEE PES Kerala Chapter to help the students and budding Engineers to collaborate with esteemed speakers and professionals from all over the state, to come up with technological innovations for the benefit of humanity.

The three day Student Colloquium taking place at College of Engineering Chengannur is embedded with loads of surprises for all the young aspirants who wish to power up the world. It is a unique opportunity for the splendid brains within the state to come together and share their experiences and gain insight on how IEEE PES can empower them with the updating technologies. The technical extravaganza will also provide a chance to know more about Green Energy and Clean Energy.

AKPESSC '18 is bagged with a whole new package of eminent speakers from all across Kerala, which will help the participants to collaborate in the designated fields of interests. There will be a poster presentation during the colloquium to provide the Student Branches a chance to showcase their achievements. Also a workshop on familiarization, which aims at updating the technocrats with the area of technical interests and relevance. In addition to the technical sessions, there are many fun packed adventures planned to make the participants' experience a memorable one.

● IEEE PES Kerala Chapter

IEEE PES Kerala Chapter is globally the largest and the most active Power & Energy Society Chapter. Our mission is to be the leading provider of scientific and engineering information on electric power and energy for the betterment of society, and the preferred source of professional development for our members.

IEEE PES Kerala Chapter was founded in the year 1999 with a membership of 12. It was presented with the Global Outstanding Chapter Award in 2012 and PES Membership Growth Award for the year 2013 in the small chapter category. PES Kerala Chapter has been receiving the High Performing Chapter Award for the past 3 years continuously.

In 2017 IEEE PES Kerala Chapter became the largest chapter among other PES Chapters globally.

● IEEE SB CEC

IEEE Student Branch College of Engineering Chengannur has ceaselessly been a very active node of IEEE by overseeing the creation, promulgation and use of thousands of norms and guidelines that directly swayed in an unabated rise in participation and activities over the years. It has secured widespread glory for the founding of IEEE LINK, which continues bestowing to IEEE Student Branches in Kerala to this day. Besides all these, the Student Branch is on a journey to constantly improve what they do and how they do it, setting out results since its establishment in 1996 together with commitments and areas of focus.

Milestones:

- By co-organising the R10 Student Congress in 2009, IEEE Student Branch College of Engineering Chengannur became the only Student Branch to organise an R10 Student Congress from Kerala Section.
- IEEE Student Branch College of Engineering Chengannur has also won the Best Student Branch Award from Kerala Section in the years 1998, 2000, 2006 and 2009.
- The Student Branch has also received the Outstanding Student Volunteer Award from Kerala Section in 2005, 2006, 2007 and 2009.
- Outstanding PES Student Branch Award (Bronze Plaque) was awarded in 2017.
- Outstanding PES Student Volunteer Award was awarded in 2017.
- The Student Branch has also achieved the IEEE Centre of Excellence in 2004, which was first in India & third in Asia Pacific (R10) at the time.

PES Student Chapter IEEE SB CEC

The Power & Energy Student Branch Chapter was formed at College of Engineering Chengannur in 2015 with 11 founding members and under the supervision of Chapter Advisor Dr Deepa J. Since its inception, IEEE PES SBC CEC by conducting numerous events has created quite a reputation among PES Student Branch Chapters in Kerala. PES SBC CEC conducted its first major event, "How to Do a Major Project" – one-day workshop in which participants were illuminated on the ideas for project presentation. Membership count has grown steadily with time and the Student Branch Chapter holds the first position in the Global Ranking for maximum number of members. Participant feedback is overwhelmingly positive and the faculty members have offered their full support for all the future events.

SPONSORSHIP PACKAGES:

SPONSORSHIP BENEFITS	PLATINUM > 50,000₹	GOLD 30,000₹	SILVER 20,000₹	BRONZE 10,000₹
Sponsor name and logo displayed on giant screen	Yes	-	-	-
Sponsors announcement through social media	Yes	-	-	-
Logo on Certificate	Yes	-	-	-
VIP access	Yes	-	-	-
Banners	Yes	-	-	-
Name on Official T-shirt	Yes	Yes	-	-
Slot for Technical Talks & Stalls	Yes	Yes	-	-
Attaching the company and title with our event title	Yes	Yes	Yes	-
